

Ref. No. - Dabhadi/school/BSC/117/21

Date :

12/03/2021

BUILDING SAFETY CERTIFICATE

To,

**Rajiv Gandhi International School,
Dabhadi, Malegaon, Nashik, Maharashtra.**

The school building has been inspected and a structure seems to be usable for the purpose of School/College.

The building during a construction has been supervised by this office. The school management has made arrangements against the natural calamities i.e. sudden failure of stone pillars, earthquakes, fire, flood etc. The school has been constructed as per the approved drawing and a standard structural norm of Civil Engineering. These have been followed for a construction of the said building. The structure of building is safe in view point of Civil Engineering.

The certificate is being issued for the Affiliation process of school.

The certificate is valid for the session 2021-22 only.

Yours
